1. I don't think the colleges should be there at this age	We aim for all our students and their families to understand the full range of learning opportunities that are available to them. This includes both academic and vocational routes in colleges, schools, universities and in the workplace. Our extensive links with colleges support students in understanding the full range of study options available to them at key transition stages in Year 8 and 11.
2. Improve the bullying procedures	Dear Parent, please contact Mrs Marshall email: enquiries@lathom.lancs.sch.uk or telephone school 01695 725653
