Dear Year 6 Students

I hope my letter finds you and your family safe and well.

Thank you so much for completing your profile sheet and sending it into school. Myself and Miss Clarke have loved learning more about you and we especially liked looking at your photographs and customised forms. We have included our own photographs in this letter so you can start to meet the key staff who will help you move up from primary to high school.

Miss Clarke has spoken to your Year 6 teacher and we now know lots more about you. We would like you to find out more about us and the first part of doing this is to watch a video that we have put together for you. This is the first time that myself and Miss Clarke have done anything like this and we really hope you like it [Video Clip](#)

We will be sending you more activities to complete over the coming weeks as you prepare to join us at Lathom. This week's activity is an art competition. I have included the information for you and know that you may have already seen it on our [Facebook page](#). Next week we will be sending you pen-pal letters from our Year 7 students and information from each department about the subjects you will be studying in Year 7.

After half term, myself and Miss Clarke will meet you and an adult from home either at primary school, here at Lathom or virtually. We are really looking forward to seeing you, but in the meantime, if you have any questions please email me at j.marshall@lathom.lancs.sch.uk and I will respond as soon as possible. For now, please stay safe, well and positive about the future. We will be together soon at high school. Let the adventure begin!

Yours sincerely

Mrs J Marshall Miss J Clarke
