

11 September 2017

Dear Parent/Carer

Year 11 Christmas celebration

As in previous years, we intend to hold a Year 11 Christmas celebration.

We are proud of our students' commitment and success and wish to recognise these. This event is a celebration of the hard work of our students and they should be proud of having shown as positive a representation of themselves as possible during their first term of Year 11.

The criteria for an invitation to attend the Christmas celebration are as follows:

Attendance to be Proud of:

- Have 97% or above attendance from 11 September 2017 onwards. (A valid medical reason for poor attendance will be considered by the Senior Leadership Team).

Behaviour to be Proud of:

- To have no more than 2 after school detentions from 11 September 2017 onwards.

By implementing these criteria, we provide students with a structure to help to ensure that they show pride in themselves, achieve their academic potential and are fully prepared for the remainder of Year 11. We are delighted to formally recognise their efforts, excellent behaviour and achievements.

Thank you for your support and we look forward to welcoming our students to the Christmas celebration.

Yours sincerely

Mrs J M Galbraith
Headteacher
